## Summer Concerts 2007

Our next concert will be held on July 21, 2007 on the green in front of Town Hall. We will feature, again this summer, Blues Condition. Blues Condition played such a fabulous show for us in 2006 that we have asked them back this year. Blues Condition is a DC area band playing hot blues and a mix of rockin' roots music, plus their own original songs. Their play list covers favorite blues performers from Robert Johnson through Eddie Boyd, Muddy Waters and Stevie Ray Vaughan up to Sonny Landreth, Tab Benoit and Michael Burks. Blues Condition plays songs by great roots rockers like Tarheel Slim and NRBO, as well as unique Americana artists like Aretha Franklin and Ray Charles. On occasion,

they'll throw in a Patsy Cline or Hank Williams Sr. song.

Please come share a fun family evening with us on July 21, 2007. Bring your blankets, dinner, beverages, and your whole gang. Please remember our concerts are free to all ages and all concerts begin at 7:00 p.m.

## FROM THE CHIEF'S DESK.....

On Saturday June 2, 2007 the Haymarket Police Department held its annual Bicycle Rodeo. The event is held the first Saturday in June each year. Our goal is to teach children bicycle safety and the rules of the road. Its also another opportunity for the community to come together as a whole and let our children feel our community spirit in Haymarket. This is a chance for young bike riders to participate in a bicycle safety check and an obstacle course.

The obstacle course teaches the importance of seeing and being seen and remaining in control at all times when riding a bicycle. The obstacle course is taught by caring, certified instructors who carry the children through bike handling safety drills. In addition, children are provided free safety helmets, a certificate for their participation and refreshments. Their year children were entertained by "The Magical Genie" a local magician who kept the children entertained and amazed by his extraordinary performance.

A free raffle for bicycle give-away made the event

even more special and a total of eight bicycles were given away to some very excited children as they waited wishfully for their names to be called. Adults were provided the opportunity to participate in a drawing for a twenty-five dollar gift card courtesy of Target.

The Haymarket Police Officers would like to thank all of the contributors, volunteers and donors for their generosity for this event.

A Special thanks to State Farm Insurance Agent Bob Garrigan, Costco, Target, Haymarket Bicycles, Lonnie Milstead, and my assistant, Dianne Bumbray.

## A SPECIAL THANKS TO EAGLE SCOUT DANIEL GORMAN

*On June 4, 2007 the Town Council presented Eagle Scout Daniel James Gorman with a special thank you for his contribution to the Town. Daniel, for his Eagle Scout project, restored the Town's antique podium and stabilized it so that it could be used in meetings today. The Town commended Daniel for "his personification of the principals of the Boy Scouts of America, his generous contribution to our community through his volunteer service, and for his exemplary commitment to the ideals of model citizenship."*

*Keep up the great work Daniel!*
